VACUUM CATCH-POTS & RESIN TRAPS

	<p style="text-align: center;">XE-0211: Vacuum Catch-Pot Assembly</p> <p>Stainless steel vacuum catch-pot complete with clear acrylic lid, EPDM vacuum seal and vacuum connector.</p> <ul style="list-style-type: none"> • Lid features a 3/8" BSP through fitting provided with a GEKA type vacuum connector as standard. • Other connection types and configurations available (see connection options). • Has a mould insert incorporated into the bottom of the 2 litre stainless steel catch-pot as direct connector to vacuum fittings in a mould.
	<p style="text-align: center;">XE-0212: Lid Assembly for Catch-Pot or Resin Trap</p> <p>Lid assembly complete with clear acrylic lid, EPDM vacuum seal and vacuum connector</p> <ul style="list-style-type: none"> • Designed as a spare lid for either vacuum catch-pot or resin trap assembly. • Lid features a 3/8" BSP through fitting provided with a GEKA type vacuum connector as standard. • Other connection types and configurations available (see connection options).
	<p style="text-align: center;">XE-0213: Inline Resin Trap Assembly</p> <p>Stainless steel vacuum resin trap complete with acrylic lid, EPDM vacuum seal and vacuum connector</p> <ul style="list-style-type: none"> • Designed to be used inline remotely and can also be used for additional venting from an RTM mould. • Does not include a mould insert in the catch-pot. • Lid features a 3/8" BSP through fitting provided with a GEKA type vacuum connector as standard. • Other connector types are available. Additional fittings in the lid can be provided to connect inline with a vacuum pump.

CONNECTION OPTIONS

To specify a configuration, use the part number (on previous page), followed by the required options numbers, separated by a hyphen: e.g. XE-0211-03 specifies a vacuum catch-pot with 1 x 10 mm through-lid pipe fitting.

Available Options	Product Number
1 x GEKA vacuum connector	01
2 x GEKA vacuum connector	02
1 x 10 mm through-lid pipe fitting	03
2 x 10 mm through-lid pipe fitting	04
4 x 10 mm through-lid pipe fitting	05
6 x 10 mm through-lid pipe fitting	06
1 x 6 mm through-lid pipe fitting	07
2 x 6 mm through-lid pipe fitting	08
4 x 6 mm through-lid pipe fitting	09
6 x 6 mm through-lid pipe fitting	10
1 x ISO B (male) connector	11
2 x ISO B (male) connector	12
